Part I – Letter from the Chairman

Dear Shareholder

Annual General Meeting

I am pleased to confirm that the annual general meeting of Spectris plc (the “Company”) will be held at QEII Centre, Broad Sanctuary, Westminster, London SW1P 3EE on Friday 27 May 2022 at 12:00 p.m. (the “AGM” or “Annual General Meeting”).

All votes at the AGM will be taken by poll. If the Company considers that any changes are necessary or appropriate, shareholders will be updated through the Company website (www.spectris.com).

To enable shareholders to continue to engage with the AGM in the way that best suits them, the Company will provide facilities for its shareholders to follow proceedings remotely. Details of these arrangements are provided on page 12. Shareholders are encouraged to make full use of such facilities but note that use of these arrangements will not be sufficient for shareholders to count towards the quorum for, or vote on resolutions put to, the meeting.

The purpose of this document is to explain certain elements of the business which will be considered at the AGM. The formal notice of AGM (the “AGM Notice”) is set out on pages 2 to 3 of this document and explanatory notes on the business to be considered are set out on pages 4 to 6.

Action to be taken

As a Shareholder, you are entitled to vote on various Company matters being considered at the AGM. At the 2022 AGM, we have put in place arrangements to allow shareholders to follow proceedings remotely.

Questions on the business of the AGM can be asked in advance or raised at the meeting, more details on this are set out on page 8. Details for appointing a proxy are contained in the Notes for Shareholders section on pages 7 to 9.

Each Shareholder registered on the register of members of the Company at 6:30 p.m. on Wednesday 25 May 2022 is entitled to vote on all resolutions contained in the AGM Notice (the “Resolutions”).

Recommendation to Shareholders

Your Board of Directors believe that the proposals described in this document are in the best interests of the Company and its Shareholders as a whole and recommend that you vote in favour of all of the Resolutions. The Directors intend to do so in respect of their own shareholdings.

On behalf of the Board of Directors, I would like to thank you for your continued support.

Yours faithfully

Mark Williamson

Chairman

17. That, subject to the passing of Resolution 15, and in place of all existing and unused powers, the Directors be and are hereby authorised, in addition to any authority granted under Resolution 16 and pursuant to sections 570 and 573 of the Act, to allot equity securities (within the meaning of section 560 of the Act) for cash, pursuant to the authority conferred by Resolution 15, and/or to sell ordinary shares held by the Company as treasury shares for cash, as if section 561(1) of the Act did not apply to any such allotment or sale, provided that such power shall be:

Notes on Resolutions

Resolution 1

Annual Report and Accounts

The Board of Directors will present the audited accounts for the financial year ended 31 December 2021, together with the Strategic Report, Directors' Report, Directors' Remuneration Report and Auditors' Reports on those accounts.

Resolution 2

Directors' Remuneration Report

The Directors' Remuneration Report is set out on pages 90 to 110 of the Annual Report and provides details of both Executive Directors' and Non-executive Directors' remuneration for the year ended 31 December 2021 in accordance with the Directors' Remuneration Policy, which was approved for a three-year period at a general meeting held in December 2019. This is an advisory vote by Shareholders and the Directors' entitlement to remuneration received or receivable for the year ended 31 December 2021 is not conditional on it.

The Company's external auditor, Deloitte LLP, has audited those parts of the Annual Report on remuneration that are required to be audited and their report can be found on pages 116 to 124 of the Annual Report.

Resolution 3

Final Dividend

A final dividend can only be paid following shareholder approval at a general meeting. A final dividend of 48.8p per ordinary share for the year ended 31 December 2021 is recommended by the Directors. If approved, the recommended final dividend will be paid on 30 June 2022 to shareholders on the register at 6:00 p.m. on 20 May 2022.

The DRIP is available in respect of the final dividend. A DRIP booklet and application form are available from Equiniti, the Company's registrar, at the address provided in the investors section of the Company's website (www.spectris.com).

Resolutions 4 to 12 (inclusive)

Election and re-election of Directors

In accordance with the Company's Articles of Association and in line with the provisions of the UK Corporate Governance Code, each new Director appointed to the Board is subject to election by Shareholders at the first annual general meeting following their appointment and each previously elected Director is required to stand for re-election at the following annual general meeting.

Biographical details for each Director can be found on pages 68 and 69 of the Annual Report and on the Company's website (www.spectris.com).

Karim Bitar retired from the Board as at 31 December 2021 and will not, therefore, offer himself for re-election.

Details of the activities of the Board during the year and the 2021 internally conducted Board evaluation process can be found on page 79 of the Annual Report.

Having considered the skills and experience and the performance of, and contribution made by, each Director, and the independence of each Non-executive Director (particularly in respect of those who have served in excess of six years), the Board is satisfied that all Directors continue to be effective and continue to demonstrate a great deal of commitment to their roles and that their respective skills complement each other to enhance the overall operation of the Board of Directors.

Through the evaluation process, the effectiveness of the Board as a whole is monitored and individual Directors provide ongoing consideration of strategic, operational, financial and risk matters, and appropriately challenge management. Each individual Director has a variety of experience and skills that are relevant to the roles that they hold within the Spectris Group. The Directors' biographies contained within the Annual Report (pages 68 to 69) set out in further detail the skills of each of the directors. It is the Board's view that these contributions, combined with the individual skills and experience of each director are the reasons why their contribution is and continues to be important to the Company's long-term sustainable success.

As such, the Board unanimously recommends the election and re-election of each of the Directors.

Resolutions 13 and 14

Re-appointment and remuneration of auditor

The Company is required to appoint an external auditor at each general meeting at which accounts are laid before the Company, to hold office from the conclusion of that general meeting until the conclusion of the next general meeting. The Board recommends the re-appointment of the current auditor, Deloitte LLP, who was appointed for the first time at the 2017 annual general meeting following a competitive tender process.

Further, it is recommended that the Directors, acting through the Audit and Risk Committee, be authorised to determine the auditor's remuneration.

Resolution 15

Directors' authority to allot shares

Under the Act, the Directors of the Company may generally only allot shares or grant rights over shares if authorised to do so by the shareholders. In accordance with the current guidelines issued by the Investment Association (the "IA"), the Directors confirm their intention to seek renewal of the authority granted at the 2021 annual general meeting which expires at the end of the forthcoming AGM or, if sooner, 14 August 2022.

The renewed authority is to be limited to shares up to an aggregate nominal amount of £1,847,058 (being just less than one-third of the issued share capital of the Company (excluding treasury shares) as at 2 March 2022 (the last practicable date prior to the publication of this AGM Notice)). The Company held 4,759,054 shares in treasury at 2 March 2022, (being 4.29 per cent of the ordinary issued share capital of the Company (excluding treasury shares) on the latest practicable date).

The authority conferred by this Resolution shall (unless previously revoked, varied or renewed) expire at the end of the Company's 2023 annual general meeting or, if sooner, 27 August 2023. However, the Company may make an offer or agreement prior to the expiry of this authority which would or might require relevant securities to be allotted after the expiry of this authority and in such a case the Directors will be permitted to allot securities pursuant to such offer or agreement as if this authority had not expired.

Other than in respect of the Company's obligations under its employee share schemes, the Directors have no present intention of issuing any shares under this authority, but they believe it to be in the best interests of the Company that they should continue to have this authority so that such allotments can take place to finance appropriate opportunities that may arise.

Resolutions 16 and 17

Disapplication of pre-emption rights

Your Directors also require additional authority from Shareholders to allot shares, grant rights over shares or sell treasury shares where they propose to do so for cash otherwise than to existing Shareholders pro rata to their holdings. Circumstances may arise in which it would be in the best interests of the Company for the Directors to have the power to issue a limited number of shares or sell treasury shares for cash otherwise than to existing shareholders, to take advantage of business opportunities as these arise or to manage the Company's capital base more effectively.

Your Board proposes that the authority granted at the 2021 annual general meeting be renewed, in accordance with IA guidelines, to expire at the end of the Company's 2023 annual general meeting or, if sooner, 27 August 2023, thereby enabling the Directors to allot ordinary shares and sell treasury shares for cash free of statutory pre-emption rights:

(i) in the case of Resolution 16, up to an aggregate nominal amount of £277,058 (being just less than 5 per cent of the issued share capital of the Company (excluding treasury shares) as at 2 March 2022 (the last practicable date prior to the publication of this AGM Notice)), and (ii) in the case of Resolution 17 (in relation to an acquisition or other capital investment, as defined by the Pre-Emption Group's Statement of Principles), up to an additional aggregate nominal amount of £277,058 (being just less than 5 per cent of the issued share capital of the Company (excluding treasury shares) as at 2 March 2022 (the last practicable date prior to the publication of this AGM Notice)).

The Directors intend to adhere to the provisions of the Pre-Emption Group's Statement of Principles, as updated in March 2015, and not allot shares for cash on a non-pre-emptive basis pursuant to the authority in Resolution 15:

- (i) in excess of an amount equal to 5 per cent. of the total issued share capital of the Company excluding treasury shares; or
- (ii) in excess of an amount equal to 7.5 per cent. of the total issued ordinary share capital of the Company (excluding treasury shares) within a rolling three-year period, without prior consultation with Shareholders,

in each case other than in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

Resolution 18

Share buybacks

The authority given to the Company at the 2021 annual general meeting to purchase its own shares expires on the date of the forthcoming annual general meeting or, if sooner, 14 August 2022.

The Directors have no present intention of exercising the authority granted by this resolution to make market purchases however the authority provides the flexibility to allow them to do so in the future.

Your Directors continue to believe that it is in the best interests of Shareholders that the Company should be able to purchase its own shares in accordance with the Company's capital allocation policy. Your Directors consider that it would be prudent to be able to act at short notice in making such purchases if it will be likely to promote the success of the Company for the benefit of Shareholders as a whole, having regard to other investment opportunities open to the Company. In reaching any decision to purchase ordinary shares, the Directors will take into account the Company's cash resources and capital requirements and the effect of any purchase on gearing levels and on earnings per share. The Act permits the Company to cancel any shares purchased under this authority or to hold them as treasury shares with a view to reselling them at a future date or to use them for the purpose of employee share schemes. This would give the Company the ability to re-issue treasury shares quickly and cost effectively and provide the Company with additional flexibility in the management of its capital base. Any transfers of treasury shares for the purposes of the Company's employee share schemes will be made within the recommended 10 per cent. anti-dilution limit set by the IA and no dividends would be paid on, and no voting rights would be exercised in respect of, treasury shares.

Notes on Resolutions continued

Your Directors are seeking the authority to make market purchases of up to a maximum of 11,082,352 Ordinary Shares, representing just under 10 per cent of the issued share capital of the Company (excluding treasury shares) as at 2 March 2022 (the last practicable date prior to the publication of this AGM Notice). The maximum price to be paid for an ordinary share of the Company on any occasion will be the higher of (i) 105 per cent of the average of the middle market quotations for an ordinary share of the Company (as derived from the London Stock Exchange's Daily Official List) for the five business days immediately preceding the day on which the purchase is made and (ii) the higher of the price of the last independent trade and the highest independent bid on the trading venue where the purchase is carried out (in each case exclusive of all expenses). The minimum price to be paid for an ordinary share of the Company will be: 5 pence (being the nominal value of an Ordinary Share).

The authority conferred shall (unless previously revoked, varied or renewed) expire at the end of the Company's 2023 annual general meeting or, if sooner, 27 August 2023.

However, if a contract for the purchase of ordinary shares is concluded before the expiry of this authority but the relevant purchase will or may be executed in whole or in part after the expiry of this authority, the Company is authorised to execute such purchase as if this authority had not expired. The Directors intend to seek renewal of this authority at subsequent annual general meetings.

For information, the Company has no warrants outstanding and the total number of options to subscribe for equity shares outstanding on 2 March 2022 was 1,777,649, representing 1.60 per cent of the issued share capital of the Company (excluding treasury shares) on that date. If the full authority to buy back were to be used, the total number of outstanding options on 2 March 2022 would, assuming no further ordinary shares are issued, represent 1.78 per cent of the issued share capital of the Company (excluding treasury shares) on that date.

Resolution 19

Notice of general meetings

The notice period required by the Act for general meetings of the Company is 21 clear days unless shareholders approve a shorter notice period, which cannot, however, be less than 14 clear days. Annual general meetings must always be held on at least 21 clear days' notice. If prior shareholder approval has been obtained, companies may hold general meetings (other than annual general meetings) on 14 clear days' notice, provided electronic voting is made available to all shareholders. Your Directors, therefore, request authority to hold general meetings in the forthcoming year on 14 clear days' notice ("Short Notice"), as they believe this gives greater flexibility and the ability for a faster response if an unexpected meeting is required. Such authority will be effective until the Company's 2023 annual general meeting when it is intended that a similar resolution will be proposed. It is intended that general meetings will not be called on Short Notice as a matter of routine, but that Short Notice will only be used, in accordance with the UK Corporate Governance Code, when the flexibility of using it is merited by the business of the meeting and the circumstances surrounding that business and where calling a general meeting on Short Notice is in the interests of Shareholders as a whole.

Notes for Shareholders

1. Voting at the Annual General Meeting

This year, each of the Resolutions to be put to the meeting will be voted on by way of a poll. This is a more transparent method of voting as member votes are counted according to the number of shares held. Approval of an ordinary resolution requires that a simple majority of votes cast be in favour of the resolution. Approval of a special resolution requires three-quarters of votes cast be in favour of the resolution. The results of the voting at the meeting and proxy votes cast will be published on the Company's website www.spectris.com and announced via the Regulatory Information Service as soon as practicable following the conclusion of the AGM.

Shareholders are reminded of their right under section 360BA of the Act to request, within thirty days of the general meeting, information which enables them to determine that their vote on a poll at the general meeting was validly recorded and counted by the Company.

2. Entitlement to attend and vote

The Company hereby gives notice that, in order to have the right to attend and vote at the meeting, (and also for the purpose of calculating how many votes a person entitled to attend and vote may cast), a shareholder must be entered on the Company's register of members no later than 6:30 p.m. on Wednesday 25 May 2022 or, if the meeting is adjourned, Shareholders must be entered on the Company's register of members not later than 6:30 p.m. on the day two days prior to the adjourned meeting. Changes to entries on the register after this time shall be disregarded in determining the rights of any person to attend and vote at the meeting or adjourned meeting.

3. Accessing the meeting electronically

To facilitate electronic access to the meeting, Shareholders are requested to use their unique SRN and PIN shown on their Proxy form to log into the AGM website:

<https://web.lumiagm.com/119-058-623>

For further information, please refer to page 12. Shareholders who choose to access the meeting electronically will not count towards the quorum for the meeting, nor will they be able to vote on resolutions put to the meeting. Shareholders are therefore strongly advised to cast their votes via proxy if not attending in person.

4. Appointment of proxies

A member is entitled to appoint another person (who need not be a member of the Company) as his proxy to exercise all or any of his rights to attend, to speak and to vote at the meeting. A member may appoint more than one proxy in relation to the meeting, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by him. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted.

Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior). A Form of Proxy is enclosed with this AGM Notice. All proxies must be submitted at the office of the registrars by post or by hand not later than 48 hours (excluding non-working days) before the time of the meeting (or, in the case of a poll taken subsequently to the date of the meeting or adjourned meeting, not less than 24 hours before the time appointed for the taking of the poll). Completion of the Form of Proxy will not preclude a member attending and voting in person at the meeting. If you require additional Forms of Proxy, please contact the registrars of the Company, Equiniti, on 0371 384 2586. Telephony provider costs may vary. An overseas helpline number is also available on +44 121 415 7047. Lines are open 8:30 a.m. to 5:30 p.m., Monday to Friday (excluding public holidays in England and Wales).

5. Appointment of proxies using the CREST system

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Annual General Meeting to be held on 27 May 2022 and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed (a) voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with the specifications of Euroclear UK and Ireland Limited ("Euroclear") and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) by the latest time(s) for receipt of proxy appointments specified in this AGM Notice. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means. Completion of a CREST Proxy Instruction will not preclude a member attending and voting in person at the meeting.
